The poster is for a contest titled 'CODE WITH S&T' organized by SKIT Science & Technology Club. It features a dark blue background with orange and white text. The top left has the SKIT logo and the club's name. The main title 'CODE WITH S&T' is in large, bold, orange letters. To the right, a large orange arrow points right, with the text 'Worried about utilising your coding skills?' and a paragraph about the lockdown opportunity. Below this, a section titled '★ Perks' lists four bullet points: winners featured on the official page, open participation for students/teachers, no programming language barrier, and a participation e-certificate. An illustration of a rocket launching from a laptop is next to this list. Another section titled '★ How to Enroll?' has two numbered steps: register on HackerRank and fill the registration form. At the bottom, the contest dates '6th JUN 2020 9 TO 11 PM' are shown, along with contest and registration links, and contact information for Ritesh Sharma and Rohit Varma. A footer at the very bottom says 'FOLLOW @SNT CLUB ON INSTAGRAM'.
